

## ADVENTURE GUIDE AT ADVENTURE SPORTS INNOVATION

At Adventure Sports Innovation, we're passionate about fun -- that's why we've become Chattanooga's destination for interactive experiences you can't find anywhere else. We're committed to providing a safe environment for guests to enjoy the latest technology. We're the first and only distributor for the Swincar in North America, an electric ATV; and we're also the first training and rental facility for personal transportation devices. From the Schiller water bikes to e-unicycles and VR simulators, there's an adventure for everyone!

**If you love outdoor adventures and enjoy working with guests, this may be the ideal job for you!**

### **Job Responsibilities:**

- Master ASI's specialty equipment to be able to conduct product demonstrations
- Teach guests to use ASI's new innovative gear
- Help maintain the gear, vehicles, watercraft, storefront, and training areas
- Transport gear & vehicles for remote tours around Chattanooga
- Assist customers with scheduling, check-in and check-out

**Experience:** Work experience: 2+ years with an adventure sports outfitter (or equivalent personal outdoor recreational experience, or strong athletic background). Outdoor retail experience a plus. Minimum requirement: CPR/First Aid. Wilderness First Aid or Wilderness First Responder, or other demonstrated leadership and safety certifications are a strong plus. Experience driving a trailer is also a strong plus.

**Must have:** Excellent customer service skills, especially patience when managing customer expectations while delivering a high quality and safe experience. Must be able to follow operations procedures, and be a great team player.

**Physical Demands:** The Adventure Guide job will be physically demanding, requiring an individual in top physical shape. (S)he will need to transport and set up the attractions/gears, and be able to master the gear quickly (e.g., be able to ride a e-surfboard, or a e-unicycle).

**Education:** High School Diploma (at minimum).

This is a part time role during the spring/summer, with the possibility of continuing in the fall/winter during weekends.

**Interested candidates, please send resumes to  
HR@adventuresportsinnovation.com**
